**Choose one of two
convenient locations**

Coordinated by:

University of Illinois College of Medicine, Department of Family Medicine in collaboration with the Continuing Education Institute of Illinois

Program

This one day intensive will offer you the most current information on the diverse features of pain and pain management in the older adult. The physiological and psychological aspects of pain management distinctive to the elderly will be explored, producing an effective multimodal approach. Assessment and intervention issues unique to the geriatric patient will be examined with emphasis on evidence-based treatment modalities.

Who Should Attend

- Care Managers/Case Managers
- Dietitians/Nutritionists
- Home Care Professionals
- Hospice Professionals
- Massage Therapists
- Nurse Practitioners
- Nurses (RN/LPN)
- Nursing Home Administrators
- Occupational Therapists and COTAs
- Physical Therapists and PTAs
- Rehabilitation Professionals
- Respiratory Care Therapists
- Other professionals working with older adults

What You Will Learn

Upon completion of this intensive, you should be able to:

- Explain the physiological issues related to aging and the potential barriers to successful pain management
- Address distinctive types of pain through evidenced based screening and assessment tools
- Identify and selectively use effective pharmacological and non-pharmacological strategies
- Describe the side effects of pharmaceutical pain management through a variety of delivery methods
- Outline multimodal therapeutic approaches with emphasis on developing tailored interventions
- Recognize the unique physical and mental capacities of older adults through the pain management process
- Discuss the psychological aspects of pain and pain management including methods for addressing short and long-term affects

Continuing Education Credit

Certificate for Professional Continuing Education will be issued that will entitle the participant to obtain credit from his/her respective licensing or certifying agency or institution.

Professional continuing education credit will be provided, up to **seven (7) contact/clock hours**, for the following disciplines:

- Care Managers/Case Managers
- Dietitians/Nutritionists
- Massage Therapists
- Nurses
- Nurse Practitioners
- Nursing Home Administrators
- Occupational Therapists/COTAs
- Physical Therapists/PTAs
- Respiratory Care Therapists
- Others - Please inquire, call (773) 930-3200

Faculty

Angela Laming, MSN, ANP-C, GNP-C, is an advanced practice nurse specializing in the delivery of evidenced-based interventions in the area of pain management and geriatric medicine. She received her Master of Science from Wayne State University, Detroit, Michigan, and currently oversees the Hemophilia/Thrombophilia Center at Henry Ford Hospital. During her 30-year career as a nursing professional, she has advanced the care of older adults, improving outcomes and effecting system wide changes in pain management in the Henry Ford Health System. She has published numerous articles in over 30 journals and currently serves as a reviewer for the American Academy of Nurse Practitioner Journal. Angela Laming has been an expert presenter on pain topics in local and national conferences over the last ten years and received several awards of excellence for clinical care and customer service.

GENERAL INFORMATION

Fees: Space is limited so early registration is recommended. The registration fee is \$129 if received by March 11, 2011. After March 11, 2011, the registration fee is \$169. Registration of groups of 3 or more can receive a 10% discount. The registration fee includes baker's breakfast, break refreshments, printed materials and continuing education credits/units.

Dates and Times: Registration, sign-in and networking begins at 8:00 a.m. The session will start promptly at 8:30 a.m. and end at 4:30 p.m. Lunch will be on your own. A list of eateries in the area will be provided. Dress is casual. CHOOSE ONE of the following dates/locations to attend:

March 17, 2011 Holiday Inn Hotel and Suites
